

GDPR - Model Parent Consent Form to Pass Personal Data to the School Journey Association

Note to Teachers: This form may be used separately or incorporated into your own school permission to attend the trip form.

Trip to _____

Date From: _____ To: _____

In order for your child to attend the trip we will need to pass their personal data such as name, date of birth, any medical or dietary condition to the School Journey Association who are organising the tour.

The School Journey Association is fully compliant with the GDPR regulations and their own Privacy Statement can be found on their website www.sjatours.org. All personal data held by the School Journey Association is securely stored and processed.

In turn, the School Journey Association will need to pass your child's personal data on to the hotel or transport provider in order for the services of the trip to be provided. The School Journey Association has ensured that all providers of accommodation and transport that they use are fully aware of their GDPR requirements and their own compliance responsibilities.

In order for your child to attend the trip, we do require your consent for their personal data such as name, date of birth, medical or dietary condition to be passed on to the School Journey Association and in turn their accommodation and transport providers in order to fulfil the services of the trip.

I give my consent for my child (name) _____

Personal data (name, date of birth, medical or dietary information) to be passed on to the School Journey Association and in turn their accommodation and transport providers, for the purpose of the school trip.
