New Requirements for Schools Travelling to the EU

Proposed new EU border rules that will apply to European school trips from 2025

A new EU border system is expected to come into force in 2025 which will mean that you need to allow extra time to go through the Entry/Exit System (EES) passport gates at UK channel crossing ports.

All travellers from the UK, including children will also need to apply online for the new ETIAS visa waiver to visit the EU from 2025.
